COMFORT, QUALITY, AND CONVENIENCE!

We are pleased to offer a number of stylishly furnished and beautifully decorated flats in the Plesmanduin complex, a recently completed development housed in an historic listed building.

These fully equipped apartments, situated in a prime location, are now available for SHORT TERM rental (between 14 days and 6 months).

The central location, less than 15 minutes from both the city centre and the seaside, is easily accessible. Major motorways connecting The Hague to Amsterdam, Rotterdam and Utrecht are mere minutes away; there are also tram and bus connections to both the Central and HS railway stations right outside the building's main entrance.

Rental prices vary between €2150 and €5500 per month including heating, electricity, water and broadband internet.

Call or email us for more information about options and availability.
